Dear parents and carers,

Our school has adopted the programme **Life to the Full** produced by the Catholic educational organisation called Ten Ten Resources. This is to fulfil the requirements of the statutory curriculum subject area 'Relationship and Health Education'.

The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. This model curriculum was highlighted as a work of good practice by the Department of Education so we therefore have confidence that the programme will be fit for purpose in supporting the growth and development of your child.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition, there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: [Online Parent Portal – Ten Ten Resources](#)

Please find enclosed a short document that will help to give you an overview of the structure and content of the programme.

Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see the **Life to the Full** programme as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported in their learning.

Yours sincerely,
M. Robinson
Headteacher
