Friday 9th February 2024

Dear parents, carers and governors,

Here we are at the end of a very short 5-week half term but we have certainly packed a lot in! Thank you for your continued support as we keep your children safe, happy and cared for as they learn lots and remember to live life to the full.

You may not have noticed but we are developing a new website. Find it here [St Alban's Pelaw](#) and take note of the new address above. There may be some glitches while all links are checked and updated so please be patient. Scroll down on the front page to find the school calendar then keep scrolling to find our latest news. You'll find the News Archive and lots more important school information under the heading for Parents.

Next half term, **Tiny Tasters' Family Cooking Workshops** will be coming into school. This is a fantastic opportunity to enjoy cooking with your child. We have a few places left, so please see the attached letter for more information and get in touch with Mrs Reynolds to book your place.

Ash Wednesday is next week which means we return to school on Monday 19th February in the season of Lent. We will all be trying to pray more, fast (give something up) and give alms (fundraise for charity) to help prepare for Easter. There will also be a **Celebration of the Word** each Friday at 3pm in St Alban's Church. All are welcome to attend.

Other information and attachments:

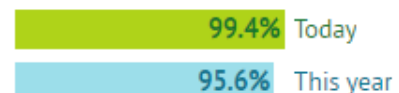

- **Pre-loved First Holy Communion** clothes are available for free at Trust HQ on Saturday 10th February, 10am to 4pm. To arrange a visit please email ethos@BWCET.com

Here's a snapshot of our attendance just for Thursday this week – WOW!

Let's keep going like this so that our overall average attendance will soon reach our target of 97%.

Statutory Attendance

99.4%

Please be in touch if I can help in any way,
M. Robinson
Headteacher

This week's Eco Endeavour: when you can, try to wash your laundry at a lower temperature.
