Friday 8th March 2024

Dear parents, carers and governors,

At this time of the year, families are beginning to look for local nursery places. I asked our nursery children if they liked coming to our school nursery and they all said 'YES!'

These are some of their comments:

- I love nursery!
- It's fab!
- It's brilliant!
- I love it very much when I play outside.

Please spread the word about our fantastic nursery and how much the children enjoy being there. We are always very happy to welcome any new families into school for a visit.

Next week, Y6 will take in **Bikeability** lessons and Y3 visit **Bill Quay Farm**. On Thursday, we will celebrate World Kidney Day by wearing something purple – *more info to follow*. Thursday is also our annual **Easter Eggstravaganza**, a fun-filled family night organised by the Friends of St Alban's. Friday is red nose day and children can wear a red nose if they have one. Y5 then lead our next **Lenten Celebration of the Word** prayer service in St Alban's Church on Friday at 3pm. *All are welcome.*
