Monday 15th March 2024

Dear parents, carers and governors,

Welcome back to school for our summer term. I hope you all had a good break over Easter, either at home or away. As you can see in the diary dates, there is a lot to look forward to with sports days, trips, residential visits and visitors as well as tests, end of year reports and transition activities for next academic year. Please continue to keep an eye on our [school website](#) for updates and news.

This week, we welcome some new children into our school Nursery. We hope they all settle in well and make lots of new friends. We have a few spaces in our lovely nursery so please pass the word on to other families with 3-year-olds who are looking for a place in a teacher-led school nursery.

As the weather turns warmer, please have a look at the [School Uniform](#) page on our website for details of summer uniform. Please can I remind you that hair bobbles/hair bands should be kept small and neat, and either plain black or our school colours of blue/gold.

Nut Allergy:

We have children in school with a nut allergy who would need to use an epipen in the event of an allergic reaction. Please can we all remember that no products containing nuts or nut traces are sent into school (e.g. in packed lunches). Thank you.

With kind regards,

M. Robinson

Headteacher
