Dear parents, carers and governors,

Wow! The Great Alban's Run was fantastic yesterday. The weather was gorgeous, the run was brilliantly organised and all the children and staff had a very lovely time. In addition to this, we have been thrilled with your generosity in sponsorship. I don't have a final total yet but it is already over our £2000 target. Huge thank you to you all, and your families and friends for supporting us.

Next week, Y1 children will take their Phonics Screening Check and Y4 embark on their residential to the Youth Emmaus Village. Then, to finish the week, we will hold our 'I love you café' ahead of Father's Day. These have been very popular recently so I have decided to hold two! One in the morning at 9am and one at 2.30pm. I have suggested that the morning one is for Early Years and KS1 and the afternoon is for KS2 but I am quite flexible on this, especially if you have siblings across the school age range. Please could you let your child know which one you'll be coming to and they will tell their teacher. Then I'll have a good idea of numbers beforehand. Also, if you're able to donate any cakes or biscuits, I'd be very grateful.

Please note: date change for the Summer Fair + Fest. This is now 11th July after KS2 Sports Day. More details and info to follow.

This week's attendance is really good for some classes but some have taken a little dip.

This week's Eco Endeavour:
In the summertime, use a washing line to hang your washing out rather than a dryer.
