Dear Parents, Carers and Governors,

To find out what's been happening at school, take a look on our [school website](#).

St Alban's Feast Day and Great Alban's Run

We are looking forward to St Alban's Feast Day on 20th June and will start the day with Mass in St Alban's Church at 10am. Later in the day, the children will take part in the Great Alban's Run. After the success of last year's sponsored event, the children were keen for this to take place again. The children will collaboratively run the distance of the Great North Run alongside their teachers and classmates to raise money for school.

Your children will bring home a sponsor form for the event, so please encourage them to ask for support from friends and family, to raise money for our wonderful school. All money raised will go towards funding suggestions the children have made to improve our school and playground. Thank you, as always, for your continued support.

Party bag items

To help prepare activities for the Summer Fair, the Friends of St Alban's are asking for donations of any party bag leftovers. There will be a box in the school office for any little toys and games that are cluttering up your cupboards at home. We're happy to collect them in to recycle and reuse rather than sending them to landfill.

Diary updates for next week: *Please be aware of some changes!*

- Family Learning are coming in to deliver a 4-week course called 'Counting Coins' for Reception class and their families. These are lovely, creative sessions and a wonderful time to spend with your child in school. Please see the attached information and contact the office if you would like to sign up. There are limited places available for this course so it'll be first come, first served.
- Friday's celebration of the word with Y3 for their parents is now at 9.15am not in the afternoon.
- The 'I Love You Café' is on Friday in two sittings to avoid over-crowding. Parents of children in Early Years and Y1/Y2 are invited in for 2.30pm. KS2 parents are invited in for 3pm.

Collecting children

Please can you always let us know if you have arranged for someone else to pick up your child from school. We do get to know familiar faces but if it is a new person, we need to confirm this before we hand over your child. Similarly, if you have asked another family to bring your child home, we will need to know this too and won't let your child go until we have had the arrangement confirmed. The best way to pass this message on is by phoning the school office on 0191 4693251. Thank you.
